HealthPass – A Subscription Solution within a Banking App

Executive Summary

HealthPass is a subscription-based wellness solution integrated into a banking app, providing users with flexible health-related subscription plans. It bridges financial services and wellness needs, offering a seamless way to subscribe to health features such as video consultations, private doctor networks, and e-shop benefits.

What Does It Do?

It allows users to select and manage health subscription plans, including Standard and Premium options, with flexible payment schedules and multi-member capabilities.

Who Does It Help?

HealthPass caters to individual users, families, and organizations seeking to enhance their wellness journeys while maintaining financial control through seamless subscription and management features.

Client Requirement

The client sought to enhance their banking app with a health-focused subscription feature. The requirements included:

Offering tiered subscription plans with customizable options for individuals and families.

Ensuring secure onboarding and easy management of multi-member subscriptions.

Providing access to video consultations, private doctor networks, and a health-focused e-shop.

Supporting flexible payment options, including monthly and annual billing.

Our Solution

To address these requirements, Soft Suave developed HealthPass, a comprehensive subscription solution integrated into the client's banking app, offering the following features:
